Hi Art, Just been looking through all the videos, tips and training in your Smart Calling Training Academy. I can't believe you've given me all this for just a few hundred dollars...it's fantastic!! I've spent £k's on courses, seminars, and talks and this has **far more** than I've ever learnt before presented in a way that's easy to understand and learn! Thanks so much, this'll make a big difference to me.

I just received that email this morning.

So, as mentioned yesterday, we're giving a Second Chance, Grand (re)Opening of Smart Calling Online (expires at midnight tonight) for those that missed out when we closed on Tuesday. [Get it here.](#)

If you have any interest at all in having access to pretty much everything I know about prospecting and sales (and will be adding to it monthly) take advantage of this [Grand \(re\)Opening Offer.](#)

Here's another email, from David Bourdon, one of the early responders to the Grand Opening of Smart Calling Online:

“Hi Art. Just a quick email letting you know you did a superb job with Smart Calling Online. The material is useful and it covers a wide range of selling situations. Your intro on how to use it is user-friendly and easy to follow. Also, when you sent the email to introduce it the reader knew exactly what they would get, how to use it, and where to find the program. I tell you this because many programs don't explain enough to know what they are getting. Anyway, I like all your material. It has been a solid investment.”

I won't rehash all of the details here of what you're going to get in [Smart Calling Online](#).

You can see it all for yourself here.

Including examples of what you'll get, a listing of the titles of all **1600+ pieces** of wisdom, a video from me (yippee!), and a “peek under the hood” tour.

And last Monday I sent out the detailed Frequently Asked Questions email [you can see here](#).

Oh, there is a split-payment option too. Choose that option at the shopping cart page.

And people are telling me they are really excited about this bonus...

Getting Smart Calling Online not only will give you access to all of this great sales-building material, it also will qualify you to get into the brand new Smart Calling exclusive, private Facebook group, opening up April 16.

Take advantage of this special **Grand (re)Opening** right now.

I'll see you on the inside!

PS. If you're a fast action taker and just want to go right to the shopping cart, **here's where you can get instant access** to Smart Calling Online at the Second Chance Grand (re)Opening price.
